## TASTING NOTE

This is what we call a Rosé de Bordeaux, produced in the pure tradition of our wine region. The color of this wine is like the Rosés from the South of France: a light color with shades of powder pink, with some orange tones. Very promising for the rest of the tasting! On the nose, floral and delicious aromas are revealed: rose, elderflower, acacia. The mouthfeel is tasty: the taste buds contract, and tasty aromas explode. Redcurrant, white peach, wild strawberry, grapefruit: let your imagination run wild. The aromatic persistence of this wine is more than sufficient to accompany all summer recipes. Enjoy your tasting !
